关于知临文化

About Zhi Lin Culture

Zhi Lin Culture (知临文化) brings together feng shui craft objects, natural gemstones and traditional Chinese symbols of blessing — curated for those who want their home, workspace and everyday life to carry a little more health, wisdom and charm.

Every piece in this catalogue is drawn from natural materials — obsidian, jade, natural crystal, pure copper and brass — worked in forms that have carried meaning in Chinese culture for generations: guardian animals, wealth bowls, wenchang towers and zodiac talismans.
